1 MAINTENANCE & ENHANCEMENTS

1.1 Known Issues

Every year a new version of the Form 11 needs to be created in order to cater for the Finance Act changes made in the Budget for the coming year. Any outstanding issues or known live issues are documented here.

1.1.1 Outstanding Issues

There is a Prodfix planned to follow the 20.3 Live release to fix outstanding issues:

Issues	Details	Date Resolved
N/A	The Irish Form 11 2019 in ROS Offline is only showing the first 2 Personal Credits and does not allow the customer to scroll down to the other credits or click to individual ones	
IN:82597	Error in max relief granted for EII, SURE and SCI	

1.1.2 Known Live Issues
